# *More Than 100 years Of Experience Shapes Today's Young Dancing Stars...*

Judith and Wendy ~  
The Ashgrove Dance Studio ...

*A*shgrove Dance Studio has been the dance studio of choice for thousands of ballerinas and dancers since the turn of the century – the 19th century that is.

The school's origins in 1899 make it one of the oldest, if not the oldest, dance studios in Queensland.

And while the studio continues to develop and celebrate its reputation for turning out some of the state's best dancers, performers and dance teachers, it is also sharing the narrative of its rich heritage.

Founded by Nellie Lawrence, the dance school and then studio has had only five principals since it was first established, with current heads, Wendy and Judith Lowe, at the helm since 1973. However, according to Judith, the studio's narrative is just as much a part of the studio's reputation as is its range of classes.

"Mrs Nellie Lawrence's grand-daughter Prue Galley, recently gifted a plaque from the school's first building to the studio and, while currently in our rehearsal space, it will eventually become part of the Museum of Brisbane collection," Judith said.

Wendy said that in 2012, Mrs Galley also donated an engraved silver teapot which was given to Mrs Lawrence by her students in 1911.

"100 years later we were able to show the teapot to students from the studio who were amazed when we told them that the engraved date of August '11 referred to 1911 not 2011," Wendy said.

Fun and engaging literacy for pre-prep children

## Give Your Little Learner A Head Start At The Shining Stars Tutoring Centre .... Ashgrove ...

Whether you want to give your child a head start before they start school or you want to boost their ability to learn while in the first few years of starting their formal education then you might want to take a look at the Shining Stars Tutoring Centre.

Based at Ashgrove, the Centre offers the uniquely Australian program, developed by Dr Lillian Fawcett, "Cracking the ABC Code" which is aimed at helping children finding it difficult to read and write by offering a different method of teaching the basics.

But it is the Centre's focus on providing pre-prep literacy workshops that is providing a strong learning foundation for pre-schoolers.

The Centre's principal and registered, experienced teacher, Anne Richards, said teaching children the alphabet and sounds before they go to school is giving them a great start.

"As an experienced teacher I found that children who start school knowing their letters and the sounds they make, make considerably better progress when it comes to reading and writing during their first year of school - prep," Anne said.

"The Little Learners Love Literacy Program, is based on five important skills - phonemic awareness, phonics, fluency, vocabulary and literacy which current research indicates aid reading and learning.

"And the workshops are also a fun way to give youngsters a head start."

## 'S Wonderful, 's marvellous and it's Nice Work if You Can Get It.

**B**ootleggers, chorus girls, dowagers, playboys and great songs - that's what you will get when the Savoyards take to the stage with the toe tapping musical **"Nice Work If You Can Get It"**, this September.

Written by Tony Award winning author Joe DiPetro and featuring well-known songs and score by George and Ira Gershwin in unexpected ways, the show recaptures the musicals of the 20s and 30s by featuring **all the good things in life - music, laughter and falling in love.**

While set in the 1920s during the years of American prohibition, the musical was first written and performed less than 20 years ago.

Despite its newness, it's flavour is traditional Broadway musical. A **screwball comedy** complete with fast talking, great singing, fabulous dancing and of course gorgeous costumes.

**Nice Work If You Can Get It** features a charming, wealthy but clueless playboy and a feisty female bootlegger who steals his heart in the days leading up to his wedding. Featuring some of Gershwin's most loved tunes including Let's Call the Whole Thing Off, Someone to Watch Over Me, 'S Wonderful, and Fascinating Rhythm, will make you want to sing and laugh out loud.

**Tickets go on sale from 22 August. Book evening or matinee performance from 24 September to 8 October by visiting Savoyards website [www.savoyards.com.au](http://www.savoyards.com.au) or phoning (07) 3893 4321.**

**WINNING TESTIMONIAL ... ★★★★★**

**8 Devonhill Street, The Gap**

"After meeting with Jeff Smith and discussing my needs and expectations, Jeff suggested a strategy to best achieve these objectives. We were able to discuss this and plan accordingly. This has resulted in 4 days from listing to a contract in hand-at a price I'm happy with. Jeff was very responsive and busy to achieve this and kept me in the loop at each step.

"Jeff was also responsive to the buyers needs and flexible in his approach - which is good for everyone. I appreciated Jeff's experience and his considerate style. He is calm and open and nothing seemed too much effort. This is especially appreciated in the reasonably stressful time of selling and buying property.

"I have no hesitation in recommending Jeff as an agent if you are in the market or planning to be." Deb (8 Devonhill St)
