More Than 100 years of experience shapes today's young dancing stars ...

Ashgrove Dance Studio has been the dance studio of choice for thousands of ballerinas and dancers since the turn of the century - the 19th century that is.

The school's origins in 1899 make it one of the oldest, if not the oldest, dance studios in Queensland.

And while the studio continues to develop and celebrate its reputation for turning out some of the state's best dancers performers and dance teachers, it is also sharing the narrative of its rich heritage.

Founded by Nellie Lawrence, the dance school and then studio has had only five principals since it was first established, with current heads, Wendy and Judith Lowe, at the helm since 1973. However, according to

Judith, the studio's narrative is just as much a part of the studio's reputation as is its range of classes.

Recently, Mrs Nellie Lawrence's grand-daughter Prue Galley, gifted a plaque from the school's first building to the Studio, and also donated an engraved silver teapot which was given to Mrs Lawrence by her students in 1911.

"100 years later we were able to show the teapot to students from the studio who were amazed when we told them that the engraved date of August '11 referred to 1911 not 2011," Wendy said.

Judith, Mrs Lowe & Wendy

THE WONDERFUL WORLD OF MEMORIES ...

For many years I listened to my father's stories of his family moving from town to town as kids, chasing the work during the depression. When I asked him about his grand parents, when they immigrated to Australia and why, he could not answer, he didn't know, his father told him, "Oh they're all dead".

I made it my mission to research the family, to find where my ancestors came from, and what they did. I did this whilst my father was still alive so I could pass this information on to him and I wrote and produced a book on my family with what I found.

After completing a Graphic Design and Photoshop qualification, I am now helping others with their dream by designing, editing and having books printed for them.

Family History memorabilia is a fantastic gift to give your children or grand children.

A coffee table book is a lovely way to pass on your legacy by either writing your life story or sharing those heirloom photos in a fabulously presented book. The layout of the book is extremely important as it can make the photos

or documents look even more spectacular, including those that are marked or damaged as they too can be brought back to life.

Other items that can be designed and printed are Collages of family photos or Family Trees on large prints using your photos.

Editor/Designer: Pamela J. Berry

Photobook design, layout, editing and printing starts at \$80.00 for a 20 page 20cm x 20cm (8"x 8") soft cover book.

Canvases start from as little as \$70.00; Custom Glass/ Acrylic, Aluminium or Wooden Prints start from a fantastic price of \$100 - 150.00 for a 20cm x 30cm size.

Call Pamela J Berry today to receive a quote 07 3172 5860, mobile: 0418 623 557: www.getuitgraphics.com.au.

**Little Ducks
Childcare**

Bardon

07 3366 6907

At Little Ducks Bardon our motto is "Educational Excellence through the power of play based learning". We believe that through building strong respectful relationships with our children and families, and encouraging uninterrupted play we can then provide the foundation for our children, to learn to, love to learn.

Our aim is to provide an environment for the child that is physically safe, cognitively challenging and emotionally nurturing (Magda Gerber RIE philosophy).

At Little Ducks Bardon we also place a lot of importance on our children's physical development. Through consultation with our local schools we have written our own physical development program – Move and Groove. The program is offered to all children twice weekly and encourages the development of gross motor skills that will help develop their gross motor muscles helping them to be the best they can be now and in the future. The program has been developed using the "Let's get moving" Resource written by the Department of National Parks and Wildlife. What's most important is the program is fun, our children, educators and families all love our "Move and Groove" sessions.

Little Ducks Bardon is a new purpose-built service. We currently have limited vacancies, if you are interested in joining our community you are welcome to call Michele to arrange a tour.
