A PERFECT OUTCOME

"So we had to sell my late sister's unit in Wilston. We contacted JEFF SMITH at once, knowing that our neighbours' high satisfaction with Jeff, wherein a space of a year or so, Jeff sold their properties at The Gap (one twice) and they had glowing reports about Jeff and the outcomes of the sales.

Right from the start Jeff explained the processes available, provided comprehensive sales history of the market at Wilston, and made a strategy recommendation to go to auction and prepare the property for the best result. With family recommendations Jeff quickly adapted a new sale strategy and the rest is good history. The whole process was truly professional with total communication and personl care that Jeff portrayed at all times.

This gave Aina and I a stress free period with confidence that we were in the best of hands. Surprisingly enough, nothing was too hard for Jeff. The property presentations changed but sales material that Jeff had virtually produced fully revealed the potential of the unit. Yes, we achieved a great sales price and couldn't have wished for a better outcome."

Andy and Aina

"Jeff Smith will be my 'go to' real estate agent forever more.

His decency, sincerity and real life experience before turning his fine mind to real estate, mean he'll listen and get the result you are after. When the stress of selling overwhelms, Jeff is there to talk good sense. His calm demeanour gets the result. And that is what counts in the end.

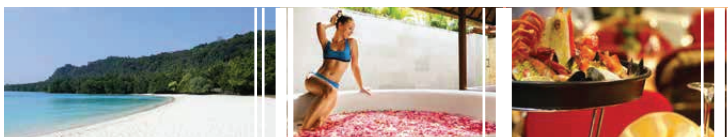

I can't recommend him highly enough."

Personable, Accountable, Dedicated

I met Andrew when I was a buyer. When it came time to sell I didn't even bother looking around, I called him up and said 'let's do this!'

Andrew is very professional in the way he conducts himself, yet remains warm and personable whether you're the vendor or an interested party. He prides himself in his creative/marketing content which focuses the viewer on the important and feature aspects of a property.

*Andrew is very energetic, I found he was always willing to go above and beyond in his dealings. He was always transparent with his thoughts and impressions as the 'man on the ground'. Andrew's communication throughout the sale process was regular and timely, and I constantly felt as though Andrew approached the sale of my house with the accountability and dedication he would his own property. - **Matt***

305 Birdwood Tce, Toowong. Sold at Auction on 8th Feb for \$1,001,000

"Selling our family home of nearly thirty years called for someone compassionate and practical: Jeff is the perfect balance of both. With his insight into what we needed, and a thorough understanding of how we should go about achieving what we wanted, he was the best possible guide we could hope to have.

Jeff supported us through the experience of regular open-houses, negotiations, and auction with expertise. His knowledge and consistently useful advice assured us we were in safe hands through a time of major change.

Thank you to Jeff for all the motivation: we're very grateful to you for helping us begin the next chapter!"
