PLAY & LEARN THE GAP

Our programs are play based aimed with knowledge that children learn best when provided with opportunities & environments to freely engage with the world around them in pursuit of their own interests & curiosities.

The classroom environments are full of innovative & original activities that allow children time & space to explore & learn. Early Childhood Services are a platform in which children can practice the skills required for their futures such as friendships, exploring & understanding emotions & ultimately discovering their own footprint within the broader community.

A FRIENDLY CARING ENVIRONMENT FOR YOUR CHILD
