## Anything Goes In A Tale Of Love And Deception On The High Seas...

The all-time musical-comedy Queen of Brass, Ethel Merman, was said to be the heart, soul and lungs of **Anything Goes** when it opened on Broadway in 1934. In Brisbane 2012, while Ethel might not be at the helm, the Savoyards' revival of this Broadway tale of love, deception and celebrity chasing on the high seas, is still one production that you won't want to miss.

The Broadway hit will take to the IPAC stage in late September with Savoyards' creatives, Sue Harvey (director and choreographer) and Ben Murray (Musical Director), recreating this witty, wistful story that captured the imagination of a generation of theatre lovers at a time when there wasn't too much else to look forward to in life.

**Anything Goes** tells the story of the road to true love between two unlikely people on board the SS American - Billy Crocker, a stowaway, and heiress Hope Harcourt, who is engaged to Lord Evelyn Oakleigh.

As in all good tales, the road to love isn't always smooth sailing and in the case of this musical, destiny gets a little help from a crew of singing sailors, an exotic disguise and some good old fashioned blackmail.

**Anything Goes** is a shining example of classic musical theatre complete with amazing tap numbers, unlikely happy endings and a magical, candy box of songs by Cole Porter including classics such as *It's de-lovely*, *Friendship, I get a kick out of you*, *All through the night* and *Anything goes*.

The Tony Award winning **Anything Goes** will be performed at the IPAC for eight performances from 29 September to 13 October before going on tour to the Brolga Theatre, Maryborough on Saturday 29 Oct. To book, find out more or subscribe, contact the Savoyards on **3893 4321** or visit [www.savoyards.com.au](http://www.savoyards.com.au).

**F**or many people starting at Ashgrove Dance Studio was the start of a lifelong love of dance. Classical, jazz, and tap are dance styles taught with style and aplomb at Ashgrove Dance Studio.

In more than 100 years that the Ashgrove Dance Studio has been operating, thousands of Brisbane students have passed through its classes.

The studio's principals, Wendy and Judith Lowe, have been at the helm for thirty-nine years.

Both registered teachers of the Royal Academy of Dancing in London, they have continued the fine tradition of providing lessons in classical dance, jazz and tap to students of all ages, plus a creative movement class for toddlers.
