Ashgrove Dance Principal Awarded For Her Dedication...

Wendy Lowe, one of the principals of one of Brisbane's oldest dance schools, has had her dedication to both dance and her students rewarded as the recipient of the Rotary Club of Windsor's Pride of Workmanship Award.

The prestigious award acknowledges Ms Lowe's enthusiasm and commitment to her students and is another accolade to add to the success of this popular dance studio.

"One of our objectives is to instil in our students a love of dance and see achieve a personal high standard of expertise and enjoyment," Ms Lowe said.

"Receiving this award is a very inspiring acknowledgment that we at Ashgrove Dance Studio are making headway towards achieving that vision."

As one of the most popular dance schools available in the Western Suburbs of Brisbane, Ashgrove Dance Studio has become a haven for dance students young and old.

While the school has successfully launched the careers of many dancers both on the stage and off the stage as fully qualified dance instructors, it is also making its mark in the world of modern dance including dance for exercise, therapy and fitness.

So whether it be evening or day classes, ballet, tap, jazz, or contemporary style dancing, or just the fitness of pilates, Ashgrove Dance studio has a class for you.

Visit www.ashgrovedance.com.au or contact the studio on (07) 3366 2976 day or evening.

Margies Vietnam Tours

Join us for a life-time holiday in Vietnam!

Take A Walk On The Tribal Side....

Getting a feel for a country, its people and its culture – on foot - doesn't have to be hard work, particularly if Vietnam is your destination and the walking tour is organised by **Margie's Vietnam Tours**.

This Brisbane based operator has put together an intriguing five day tour of the Sapa region which includes a tasting plate of cultural experiences, a relaxed pace and plenty of luxuries.

Starting at Hanoi, take an overnight train ride to Lao Cai. Here, at 1600 metres above sea level, the experience really begins.

Check into the Victoria Sapa Hotel and then head for one of the cafés for a cup of Vietnamese coffee and the sights - hill tribes in different costumes walking to the market against a backdrop of old French colonial buildings— an experience not to be missed.

Enjoy a lifetime experience with Vietnam Tour Specialists - Margie's Vietnam Tours.

Neither is the chance to have dinner with the Black H'mong people and learn about their food, musical instruments and body performances.

Nor the visit to Coc Ly and its famous market of Flower H'mong people or the boat ride on the Chay River to visit the Tay people.

This tour certainly has it all

The studio's principals, Wendy and Judith Lowe, have been at the helm for thirty-nine years.

Both registered teachers of the Royal Academy of Dancing in London, they have continued the fine tradition of providing lessons in classical dance, jazz and tap to students of all ages, plus a creative movement class for toddlers.

Working From Home Has Never Been Easier...

Westlake's Debbie Dove has hung up her corporate suit and sensible shoes in favour of casual attire and a job that is only a hop skip and a jump from her lounge room sofa – in her home office.

Debbie has joined the hundreds and thousands of men and women around the world who are tossing in the 9 to 5 rut in favour of working from home.

But unlike the multitudes, Debbie has joined a travel and lifestyle company that has been listed as one of the fastest growing travel companies in North America – Resorts 360.

But that's not all – it also offers members the opportunity to become a business partner – which is the opportunity Debbie found too difficult to refuse.

Debbie said that while she works from home and enjoys the benefit of no travel time commuting to work and back, she can now spend more time on building her business – at any time of the day or night.

"As in any business, the more effort you put in, the more results you get".

"Because of the tremendous value and advantages of the business affiliation – there really is no way that as an individual you cannot succeed – whether it's in business or on holiday!".
