ASHGROVE DANCE STUDIO - THE PERFECT PLACE TO LEARN TO REALLY DANCE.....

For many people starting at Ashgrove Dance Studio was the start of a lifelong love of dance. Classical, jazz, and tap are dance styles taught with style and aplomb at Ashgrove Dance Studio.

In more than 100 years that the Ashgrove Dance Studio has been operating, thousands of Brisbane students have passed through its classes.

The studio's principals, Wendy and Judith Lowe, have been at the helm for thirty-nine years.

Both registered teachers of the Royal Academy of Dancing in London, they have continued the fine tradition of providing lessons in classical dance, jazz and tap to students of all ages, plus a creative movement class for toddlers.

The Goddess Of Abundance Comes To Ashgrove...

If you've visited Hobart's world famous Salamanca markets recently or strolled along the streets of North Hobart's cosmopolitan lifestyle district, then you've probably tried, heard of or at least whiffed the aromas of exotic spices at the award winning **Annapurna Indian Restaurant**.

But if you haven't, then don't despair, a trip across the Tasman is no longer required to immerse yourself in the mouth watering tastes of authentic Indian cuisine.

Annapurna Indian Restaurant, named after the Hindu Goddess of the harvest and synonymous with abundance and nourishment, is now welcoming diners at Ashgrove.

And the experience of dining in a restaurant which feels as if you are on a terrace, overlooking the roof tops of ancient Indian temples, only adds to the exotic flavours.

Using herbs and spices that have been stone ground in the traditional manner, and known for Indian specialties cooked to the ancient principles of kitchens in the palaces of princes, **Annapurna Indian Restaurant** is already proving very popular with Indian food lovers – both old and new.

It's light and airy dining area, contemporary yet welcoming table décor and its extensive menu make it a great place to take a group of friends or the family and to share a selection of excellent authentic creations – all without breaking the budget.

BYO and with a range of daily specials that provide tasty, value meals, Annapurna Indian Restaurant also offers catering for functions and, for those who want to take a night off cooking at home, a takeaway menu that is as extensive as the one enjoyed by those dining in.

With plenty of vegetarian options and a selection of dishes that can be varied from mild to very hot, the appeal of Annapurna is only set to grow.

Priceless Moments...

The fragrance from the Gardenias in your garden makes you stop and enjoy the moment. The Jacarandas in flower remind you of University exams. Your daughter brings you a bunch of daisies she has just picked for you from your garden.

In these busy times these are priceless moments that help keep a balance in our lives.

The design of your garden is important so that shade and light are well balanced. There are plants in flower throughout the year and there is always something of interest to attract your attention.

What could be better than smelling the Gardenias and listening to the birds in the trees; nature at its best. Spend time in the garden and you will feel much better for it.
