ASHGROVE DANCE STUDIO - THE PERFECT PLACE TO LEARN TO REALLY DANCE.....

For many people starting at Ashgrove Dance Studio was the start of a lifelong love of dance. Classical, jazz, and tap are dance styles taught with style and aplomb at Ashgrove Dance Studio.

In more than 100 years that the Ashgrove Dance Studio has been operating, thousands of Brisbane students have passed through its classes.

The studio's principals, Wendy and Judith Lowe, have been at the helm for thirty-nine years.

Both registered teachers of the Royal Academy of Dancing in London, they have continued the fine tradition of providing lessons in classical dance, jazz and tap to students of all ages, plus a creative movement class for toddlers.

Priceless Moments...

The fragrance from the Gardenias in your garden makes you stop and enjoy the moment. The Jacarandas in flower remind you of University exams. Your daughter brings you a bunch of daisies she has just picked for you from your garden.

In these busy times these are priceless moments that help keep a balance in our lives.

The design of your garden is important so that shade and light are well balanced. There are plants in flower throughout the year and there is always something of interest to attract your attention.

What could be better than smelling the Gardenias and listening to the birds in the trees; nature at its best. Spend time in the garden and you will feel much better for it.

You're never too old to take up dance...

While Ashgrove Dance Studio originates from the oldest ballet school in Queensland, few would know that it is also the first dance studio in Brisbane to hold ballet classes for adults.

Since 1973, the Ashgrove Dance Studio has been teaching adults tap, jazz and classical dance styles.

Almost 40 years later, those classes are still as popular for those wanting to get fit, stay fit and feel good.

Co-principal, Wendy Lowe, said today more than ever, we are realising that fitness is an important part of maintaining healthy lifestyles as we get older.

"Many of us may have learned some kind of dance when we were young," Wendy said. "But even if you didn't these classes are a great way to improve muscle tone, co-ordination, balance and general good health and well-being."

Visit the Ashgrove Dance Studio website www.ashgrovedance.com.au for details including venues and timetables. For bookings telephone 3366 2976 day or evening.
