SCHOOL OPEN DAY

Friendship, Music & Dance are the Three Buzz Words at The Ashgrove Dance Studio

Dancing is one of the oldest and most social forms of entertainment and no matter what your age, or fitness level, there is a certain romance to moving to music.

And never more so than at Ashgrove Dance Studio where the classes for seniors, men and women, are also about having fun, enjoying life and making long lasting friendships.

Joining the studio is also a great way to get involved in the annual and spectacular show.

Studio Principals Wendy and Judy Lowe, said the end of year celebration of dance is the highlight of the year and the opportunity to showcase the students and the studio.

"There certainly is a buzz in the air in the months and then weeks leading up to our extravaganza," Judy said.

"It attracts a huge audience, and includes costumes, lighting, and of course a fabulous program of dance."

Wendy said the studio, one of the busiest and most successful dance schools in South East Queensland, caters for all age groups – both with and without experience - in all areas of dance and exercise.

"We have a tradition of offering classes in a warm and welcoming environment," Wendy said.

"So even if you've never danced before, and always thought you would like to, come and visit us, take a class, enjoy the fellowship, have fun and who knows, you might just decide to join us on the stage come October."

Judith, Mrs. Lowe and Wendy.

Get In Quickly To Enjoy This High-Spirited Musical Romp!

If you haven't already booked your ticket to the latest **Savoyards** theatre production then don't waste any more time because the not to be missed production of **Thoroughly Modern Millie**, the madcap 1920s adventures of a young woman who sets her sights on marrying her wealthy boss, is now on for eight performances only during May and June.

The well-known Brisbane based Savoyards have again brought to life a Tony Award winning Broadway musical classic in this story of a small-town girl, Millie Dillmount, who comes to New York City to work as a stenographer and to marry for money instead of love.

The musical **Thoroughly Modern Millie** is based on the 1967 multi-academy award nominated film of the same name, directed by George Roy Hill and starring Julie Andrews. And the Savoyards have again, true to form, beautifully reproduced this high-spirited romp based on the 2000 Broadway stage adaptation of the film including the original music by Jeanine Tesori and lyrics by Dick Scanlan.

In this story of modern love, Millie takes on a flapper lifestyle only to encounter problems when she checks into a hotel owned by the leader of a white slavery ring in China. Like the film on which it is based, the stage show integrates new tunes with well-known, previously written songs of the 20s and 30s, and is filled with frisky flappers, dashing leading men and a villainess that audiences will love to hate.

Best of all, it's the kind of zany, madcap merriment that the whole family will enjoy.

For more information about show dates and times, including how to book tickets, visit www.savoyards.com.au or call 3893 4321.

The Hubbard's Experience Offers QTAC Results ...

Hubbard's, an independent school at Milton, has come to the rescue of students looking for excellent results including the OP score they need to succeed in obtaining an offer to study at a tertiary institution.

And now is the time to find out how they can help make your 2014 academic year a success.

Specialising in small classes, customised programs and specialist teachers, the school's main program offers students a chance to complete years 11 and 12 subjects in the one academic year.

With no assignments, just great face to face teaching, and assessment via end-of year external exams, the school prides itself in its welcoming environment.

Hubbard's other claim to fame is its intensive program of study aimed at satisfying prerequisite courses and subjects. These bridging programs, also offered to adults and students from other schools, are available in classes during the day, evening and even january holiday periods. The courses suit people who need prerequisite English, Maths B, Biology, Chemistry or Physics.

These intensive, four or nine week programs are demanding and require commitment but are a great way to put focused, diligent students in the perfect place to receive the news they are seeking during QTAC's major offers in january 2015.

If traditional year 11 and 12 schooling is not working for you, and you are keen to succeed, Hubbard's may have the answers.

Little Orphan Annie Provides September School Holiday Entertainment ...

The well-loved and timeless story of that spunky, Depression era orphan – **Annie** – is back to inspire hope in a whole new generation of youngsters during the September school holidays thanks to the **Savoyards**.

For eight performances only at the Performing Arts Complex, Lindum, Annie will give theatre lovers – old and young – the chance to enjoy the musical which has enthralled millions around the world.

Telling the story of **Annie** – an orphan determined to find her parents after being abandoned years ago by her parents on the doorstep of a New York orphanage run by the cruel and embittered Miss Hannigan, it includes one of the most awarded musicals of all time and boasts one of Broadway's most memorable scores, including It's the Hard-Knock Life, Easy Street, N.Y.C. and the ever-optimistic Tomorrow.

Based on the popular Harold Gray comic strip Little Orphan Annie, **Annie – The Musical** burst into popularity in 1977 when it opened on Broadway.

It became a smash-hit movie musical starring Aileen Quinn, Albert Finney and Carol Burnett that is adored worldwide and a fixture of popular culture references.

Now, more than 35 years later, **Annie** remains one of the most loved and universally appealing musicals of all time – so don't miss it.
